**PARING KNIFE 9 CM/MHK 029A-11**

The perfect knife for paring and decorating or any other task which requires precise blade control.

**UTILITY KNIFE 12 CM/MHK 029A-09**

Employ this proficient, general-purpose knife to trim meat, pare fruit and prepare sandwiches.

**STEAK KNIFE 12.5 CM/MHK 029A-10**

A good helper for cutting your large chunk of delicious steak into small pieces of one mouthful size.

**JAPANESE COOK'S/SANTOKU KNIFE 13.5 CM /MHK 029A-03-2**

A ideal big knife for thin slicing and fine dicing.

**BONING KNIFE 15 CM/MHK 029A-06**

Specifically shaped to de-bone meat, poultry or fish quickly and efficiently with minimal wastage.

**CLEAVER 18 CM/MHK 029A-05-1**

Chop through beef, lamb, pork or poultry like a professional with this indispensable edged tool.

**BREAD KNIFE 20 CM/MHK 029A-04**

This serrated long knife effortlessly slices through crusty loaves, bread rolls and tough skin such as pork crackling.

**CARVING KNIFE 20 CM/MHK 029A-02**

Excellent for controlled uniform slicing of food such as cooked leg ham, turkey and meats.

**COOK'S KNIFE 20 CM/MHK 029A-01**

The broad heavy blade makes light work of arduous chopping, mincing and dicing tasks.

**JAPANESE COOK'S/SANTOKU KNIFE 18 CM /MHK 029A-03-1**

A ideal big knife for thin slicing and fine dicing.

**JAPANESE CLEAVER/NAKIRIKNIFE 18 CM /MHK 029A-05-2**

Chop through beef, lamb, pork or poultry like a professional with this indispensable edged tool.

**SHARPENING STEEL 20 CM/MHK 029A-29**

Regular use of the steel will restore the cutting edge of your knives to razor sharp condition.
